#### **Vol. 34 Issue 3**

I remember, in the time we spent at a cabin in SW Massachusetts each summer as a child, how often there would be a puzzle sitting out on a card table, for days on end. We would pick away at the puzzle here and there until, slowly, piece by piece, the final picture would come together. It is a memory and image to which I often look when I consider the life and ministry of the church (the metaphorical applications are numerous), but most recently I have found myself focused on the nature of the ‘fit’ of each single piece of the puzzle.

It doesn't matter if it is a 10 piece-puzzle for a toddler, a 100 piece puzzle for a family with children, or a 5000 piece masterpiece that only the most patient and enduring among us would choose to tackle, every single piece, in every one of the puzzles, has just one true ‘fit.’ In each puzzle, there is one place that is ‘just right’ and helps to make everything else come together. I think that image has a lot to say about our life in the church.

Now – don't get me wrong. The metaphor can quickly be pushed too far. I think there are often multiple places that are right for us at any given time, and I know that what is right for our service in the life of the church, today, is quite possibly very different than what it might be in a year, two years, five years, and on... But, the simple truth is that there IS a fit. There IS a place (or places), for each of us, in which our interests, capacities, gifts, faith and discipleship merge to allow us to be an integral part in the life of the church while, simultaneously, we are being fed in our own journeys of faith. For each of us, there is ‘fit’ in the ministries of our congregation.

Later in this newsletter you will find a wonderful article provided by our Stewardship Board on the stewardship of our time and talents in the life of the church. In the coming weeks you will begin to see information from our Nominating Committee, on Sundays, that will discuss the various formal positions available in our church boards and leadership. As spring progresses, you will begin to hear about some

## One Piece of the Puzzle cont.....

conversations in regard to ways to enhance board membership that are currently being held by our Church Council. And then, in future months, you will likely begin hearing about different ministries, each month, as we seek to more fully inform the congregation of all of the ministries going on in the life of the church.

All of this is towards one goal – to help you find your fit! As you see the information of the Nominating Committee in the coming weeks, consider whether or not one of these boards is the right place for you, right now, to engage in the life of the church. As you hear more and more about the ministries of the church, be open to the ‘nudging’ of God’s Spirit within you, and seek to discover your fit in the life of the church. It may be on a board, it may be in a benevolence project, it may be in music, it may be in one place, it may be in many, but there is somewhere you ‘fit’ in the life of the church – and we need you. I pray that you will be open to those possibilities in the months ahead and step in to be a part of what God is doing in the life of North Shore Congregational Church!

Yours in Faith, Fellowship and Service, *Marty*

## FELLOWSHIP AND OUTREACH OPPORTUNITIES

### Baskets Overflowing - An invitation to Fellowship

When Jesus fed the 5000, 5 loaves of bread became 12 overflowing baskets. The next day, on the other side of the lake, he explained himself: “Don’t work for bread like that, bread that feeds your physical body – I am the true bread of life, take me in.”

This was our experience in Search & Call, where together we witnessed several true miracles. The first was, that after 180 hours together or more, we did not kill each other. In fact, God put a love for one another in our hearts that could not possibly have come from us, nor from committee work (as exciting as that might be!). In the end, I believe everyone of us would say that our journey astounded us. We came to see how active God is among us and the special plans he has for North Shore Congregational Church. Together, and unexpectedly, we entered the joyful surprise of spiritual fellowship, eating the true bread of life.

Out of God’s grace flowed this fellowship, which only He could create. And He is continuing it in Friday gatherings, the outflow of Search and Call. **These sometimes happen to be at the Chelimsky house, sometimes at other peoples’, but we all want to make it clear they are not our idea, not our doing, they are His, and someone just happens to receive a great blessing through you all when He uses that house. So hear the invitation of God, the invitation of Search & Call, COME to experience a unique blessing basking in the joy of our overflowing God.**

These often fall on the second and fourth Friday evenings of the month at 7pm, at the Chelimsky house at 7950 N Lake Drive in Fox Point. **All are invited, all are welcome!** Please email [tchelimsky@mcw.edu](mailto:tchelimsky@mcw.edu) and we will send an email reminder about date and plate.

**Moms n More** Come, gather in the church kitchen on **March 11 from 9:30 to 11:00**. We are making casseroles for St. Ben’s Loaves and Fishes ministry. Contact Katy Nelson with any questions [kanelson4@yahoo.com](mailto:kanelson4@yahoo.com)

As many know, there is a tap **water crisis in Flint, MI**. Some have wondered how our congregation can help. The Mission and Outreach Council of the National Association of Congregational Churches is advising those interested in contributing to the crisis make a donation through "One Great Hour of Sharing" and specify water crisis in Flint, MI in the note.

One Great Hour of Sharing is the flow-through fund the NACCC uses to raise and distribute funds in crisis situations. In particular, the NACCC Mission and Outreach Council will forward specified donations to either the Flint Child Health and Development Fund or to Pine Hill Congregational Church in West Bloomfield, MI. Pine Hill Congregational is collecting bottled water and distributing to residents of Flint periodically. To learn more about the Flint child health fund and how donations will be used there please visit this link:

## HELPS FROM THE HEALTH COMMITTEE

### *THE SKINNY ON FAT*

Fat is one of the three essential nutrients (along with protein and carbohydrate) needed for good health. Dietary fat provides vitamins D, E and K, and stores and provides energy.

While fat contains almost twice the calories per gram over protein and carbohydrate, it has an important place in our diet. It is essential to note that intake of excess calories from any source - fat, carbs or protein - will result in weight gain if calories are not burned during exercise. Likewise, consuming low-fat or fat-free foods are not usually a good thing if other additives such as sugar and salt are present.

Here are the types of fats, and where to find healthy sources:

MONOUNSATURATED - a good fat

- ♦ reduces LDL (bad) cholesterol levels when consumed in place of saturated fats
- ♦ found in olive oil, canola oil, peanut oil, nuts, olives and avocados

POLYUNSATURATED - a good fat

- ♦ includes omega 3 and omega 6 fatty acids (omega 3 is preferable)
- ♦ reduces LDL (bad) cholesterol, raises HDL (good) cholesterol
- ♦ found in salmon, tuna, herring, sardines, trout, ground flaxseed, walnuts, flaxseed oil, canola oil

SATURATED - ok when used in moderation

- ♦ are solid at room temperature
- ♦ large amounts may increase LDL cholesterol
- ♦ animal sources: butter and high fat dairy products, lard, high fat meats
- ♦ plant sources: palm kernel oil and coconut oil

TRANS FAT - to be avoided

- ♦ increases LDL, decreases HDL
- ♦ found in stick margarine, solid vegetable shortening, high-fat processed foods and commercially baked products

Check food product labels and reach for the right fats.

## A MESSAGE FROM THE STEWARDSHIP BOARD

As each one has received a special gift, employ it in serving one another as good stewards of the manifold grace of God...so that in all things God may be glorified through Jesus Christ.  
-1 Peter 4:10-11

What does being one of God's stewards mean to you? Part of the mission of our Stewardship Board is to encourage you to give of your talents through service to church and community. You have many opportunities to explore! Some may match your interests; others may better fit your schedule. There are things you can do at home, such as making prayer shawls for those in need of comfort...or cooking casseroles and baking desserts for our St. Ben's dinner ministry. While out running errands, why not purchase groceries for either our brown bag lunch ministry or our ongoing monthly food drive, or pick up some personal care items for the upcoming Squeaky Clean drive for Sojourner Family Peace Center now through Easter Sunday?

There are also two groups who prepare food at the church for church events, and in the process, enjoy each other's fellowship. They're called the Soupers, and the Fellowship Committee. They can use new members to help with the preparation of food during the weekdays, or serving at events. In fact, the Soupers have an immediate need—they could use servers to arrive at 4:00 at the Soup and Table Talks on Wednesdays during Lent. If you'd enjoy this, please consider taking on a Wednesday.

If you have questions about volunteering, please contact one of our Ministers at (414) 352-6123 for more information. More stewardship opportunities will be described in future newsletters.

Hope to see you around—it's a great way to get to know others while serving the church!

## BENEVOLENCE SPOTLIGHT

### Habitat for Humanity/Ozaukee

**Mission:**

*Habitat for Humanity works in partnership with God and people everywhere, from all walks of life, to develop communities with people in need by building and renovating houses so that there are decent houses in decent communities in which every person can experience God's love and can live and grow into all that God intends.*

**Current Projects:**

**Grafton, WI:**

A single family house on Columbia Road is to be completed in early summer 2016. A Duplex on the same site will be started in 2017.

**Port Washington, WI:**

Habitat for Humanity Ozaukee is partnering with Thrivent Financial through a grant through Thrivent Build Homes program of \$45,000. This will cover about half of the building's cost. The grant is to be used this year, therefore the house must be finished and ready for occupancy by **December 31, 2016**.

The current plans for the home on Park Street (Thrivent home) are for a handicap accessible, ranch style home with three bedrooms. Another home will be built after this one and is also on Park Street—to be finished in 2017.

**Habitat for Humanity** requires the resident live or work in the home's county and that he or she can afford it. The home is not given to the recipient. They have a 30 year, zero interest mortgage equal to the building costs. The resident must be able to afford monthly payments and is also required to give 500 volunteer hours on Habitat projects (their own home or another).

You can learn more and volunteer if you follow **Habitat** Ozaukee on Facebook or email [\*\*jallen.habitat@gmail.com\*\*](mailto:jallen.habitat@gmail.com).

There is more information on Habitat for Humanity Ozaukee on our current church bulletin board.

The information in this article is from an interview with *Jim Meyer, Church and Community Relations, Habitat for Humanity Ozaukee*.

## NACCC YEAR ROUND DELEGATE REPORT

As your Year Round Delegate to the National Association of Congregational Christian Churches (NACCC) my “job description” has two parts. The first is to provide periodic updates through this Newsletter and to the Council about events, services, and opportunities available through the Association. The second part of being a Year Round Delegate is to take feedback or questions from the congregation back to the NACCC. The Year Round Delegate is not necessarily the Delegate to the Annual Meetings, although I was glad to serve at the 2015 Annual Meeting.

I have mentioned that the 2016 NACCC Annual Meeting & Conference will be June 25-28 at the DoubleTree by Hilton Detroit/Dearborn. The theme will be “Who Is My Neighbor?” (Luke 10:29) Registration, Hotel, Meeting, and Conference information is available on the NACCC web site. The direct link is <http://www.naccc.org/2016-amc-information.html>. It is not too early to think about attending.

So, what is the Meeting & Conference, and why would a member from our church want to attend? There are three business sessions, each lasting about two hours, spread over the four days. During these, the attendees hear about the business of the NACCC and the delegates vote to ratify, or not, the actions taken by the Board and the Leadership Council over the past year. These sessions are a great opportunity to learn how the NACCC is doing. Much of the rest of the time is workshops and presentations to learn about what the NACCC and other churches in the association are doing. For example, the Missions Council will give an overview presentation and there several of our supported Missionaries will be presenting information about their work.

There are a number of workshops on a variety of topics, some for individual growth, others covering resources and ideas for Church boards or larger groups. Workshop topics this year include: Devotional Writing; Being Christian in a Pluralistic Society; The Nuts and Bolts of Online Giving; Vision and Failure for Profit, Nonprofit, Churches and Others; and The Congregational Library & Archives. More details are in the brochure.

The Bible Lecture and the Congregational Lecture are given by invited guests and always generate much discussion among those who attend.

## **NACCC YEAR ROUND DELEGATE REPORT CONT....**

I found the Annual Meeting & Conference to be a great opportunity to learn about the NACCC, to make my views heard, and to meet and learn from other Congregationalists. You don't need to be a delegate to participate, contribute, and enjoy the Annual Meeting.

I should also mention that the Annual Meeting of the Wisconsin Congregational Association will be held at the First Congregational Church of Beloit on April 30. The theme is "Practical Ways to Empower Laity." All are welcome to attend.

I hope these monthly reports have been informative and that you have taken the opportunity to explore the NACCC web site and look through recent editions of the Congregationalist. If you have specific questions or interests; or would like to provide feedback to the NACCC, feel free to contact me. Best way to initiate a conversation is to corner me (Mark Swartwout) after worship service, or send an email to me at [Mark.Swartwout@gmail.com](mailto:Mark.Swartwout@gmail.com).

#### **Making a Payment In Person?**

Did you know that there is a box for payments in the Church Office?

The procedure adopted to ensure safe and efficient collection of funds for various items, is for an envelope to be filled out and your cash or check payment to be placed in it. The envelope should then be deposited in the box and Kerrin, the Office Manager, will collect all the envelopes when she next makes a bank deposit.

This way your payment is secure and correctly allocated.

can collect 100 items, during the month of March, I will plan a pajama party on a Sunday morning in April. Children can come to church in their pj's and have a fun, special morning in Sunday school. There is a need for baby lotion and shampoo, diapers

and baby wipes and toothbrushes and toothpaste! If we focus on these items we should be able to collect 100 things and help out many people.

## CONFIRMATION CLASS UPDATE

### Update on Confirmation Class for March!

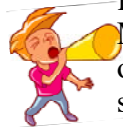

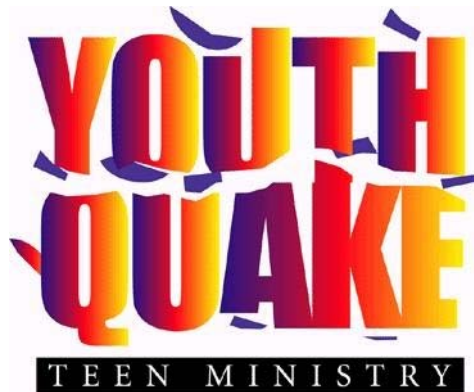

In February we got creative, brainstorming scripture focus, music choices, writing prayers, skits and messages for the **May 8th** worship service that the Confirmation class is organizing. The children's choir will do some of the featured music but there are surprises in store for all of you so I hope you can be present with us that day. We served at St. Ben's and several of the youth attended Board Meetings and a Council Meeting. During the month of March we will be exploring other World Religions and close the month comparing and contrasting and leading toward some of the work we will do in April focusing on individual "I Believe" statements!

The Board of Christian Enrichment, after collecting feedback from parents and children, voted to continue the 2 year plan for confirmation. Parents of current 6th and 7th grade students, please watch for information and opportunity to meet to discuss class times and dates. Feel free to Contact Rev. Julie with any concerns or questions.

### Youth Ministry Events

#### Sunday Morning Discussions Grades 6-7th grade.

Linda Emery and John Papineau lead this class engaging the Bible Topic with Youtube clips, quotes and conversation and lots of laughing! (And donuts don't hurt either). Class meets upstairs from 10:15-11:15 (right after the children's message).

See the bulletin board in the main hall or watch for an email noting Music/Concerts, Plays/Musicals or special events featuring the youth of our church family. I am sure they would enjoy seeing you there, and you will enjoy the gifts and talents they offer!
