Vol. 37 Issue 4

Dear Friends,

Do you remember our conversations, last fall, about ‘Holy Indifference?’ Do you recall our sermon and Bible study series on images of the Church in the New Testament as we kicked off the program year? Do you recall a mention, here or there, that these were early pieces to a larger journey that would be unfolding in the life of our church? Well – I’m excited to share that it’s time for a new phase of that journey to take off!

Ever since we shared in those early conversations last fall, a small team of church leaders has been meeting to explore and frame the manner in which we might be able to ‘tap in’ to the vision God has for our church in the coming years. The work of that leadership team has led to the formation of four other teams that will focus on some of the core ministries of our church.

- ❖ Grant Gallinger is leading a team focusing on the manner in which we engage visitors and guests who come into our church, as well as how our church engages the community around us.
- ❖ Lizz Loder is leading a team looking at our mission and service ministries, and how we can continue to grow in our role of ‘being’ the church to the world around us.
- ❖ TJ Molinari is leading a team reflecting upon our worship and music ministries – both within and beyond our Sunday worship setting.
- ❖ Kathy Schill is leading the team that is considering our ministries to children and youth and how we might grow in the manner in which we impact the lives of the next generation of the Church.

In addition to these four team leaders, the Leadership Team for this journey includes our current Moderator (Rick Ruenzel), our Moderator-Elect (Bo Dowsett), Rev. Julie and me.

The framework you will see for this journey as it unfolds is ‘Towards 75 and Beyond.’ This spring, as we note our 70th

75 and Beyond cont...

anniversary as a church, we are taking the time to reflect towards our 75th in 5 years. Where are we now, and where does God long for us to be at our 75th? What is the shape and form of these ministries today, and what vision does God inspire within us for 5 years from now? “What does North Shore Congregational Church look like at 75, and beyond?” That’s the question we are asking! The answer, however, needs you!

While the framework of this journey is ‘Towards 75 and Beyond,’ the core information we will receive will come from our ‘Listening Together.’ Over the course of 6 weeks, a series of three sessions will be held in which members will be invited to share their thoughts with each of the teams listed above. As we gather to listen together...to one another and to God...we will reflect on the blessings of our ministries and the joys of our fellowship, and we will learn more of the future God has in store for our church. Our teams will be meeting individually with a number of groups in the church for more specific feedback on certain ministries, but a significant portion of our opportunity to listen and learn will come from **your participation** in these upcoming sessions.

As a member of this leadership team, and as the Sr. Minister of NSCC, I implore you to take the time to be a part of one or more of these sessions. There are four topics to be explored, and each 75 minute session will allow you to engage in up to three of the four. We encourage you to come more than once in order to get to all four, and perhaps to even go back to those you’ve discussed before to see how the conversation is taking form amongst other groups. Listening Together means we need to be **TOGETHER!** This is not a trivial conversation, and I encourage to make it a higher priority than ‘if I have a few minutes...’ Our coming together to listen will shape the future of this church, and we need your voice as we seek God’s Spirit among us.

Our purpose statement as a church says that, “Our purpose is to grow and deepen Christian Discipleship in a faith community guided by the Holy Spirit.” We are seeking that guidance, and I know that the voice of each of our members will help to offer clarity and concision to that which we are hearing. So, please, make the time to be a part of this – join us as we listen together – that, **together**, we can seek God’s Spirit for North Shore Congregational Church at 75 years, and beyond!

Session Details:

Wednesday, April 24, 7:00-8:15pm*

Sunday, May 5, 11:15 to 12:30am*

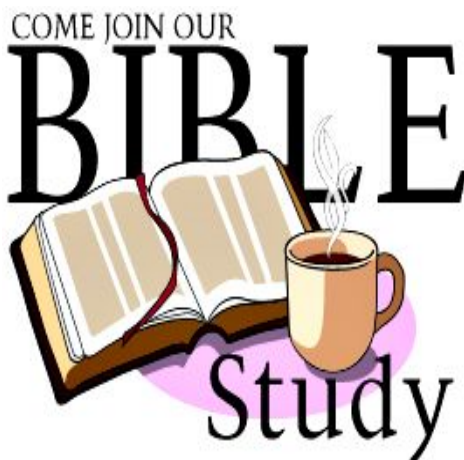

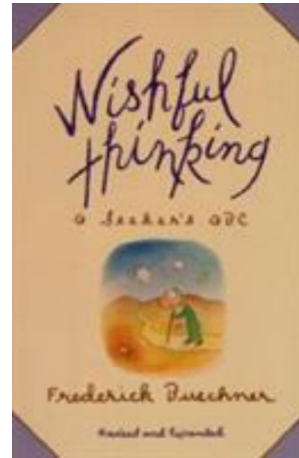

Sunday, June 2, 11:15-12:30am*

**Note – each session will include 3 rotations. In order to participate in all four areas, you will need to attend more than one date.*

Your Pastor and Friend, **Marty**

EDUCATION AND FORMATION OPPORTUNITIES

Book Group: We are having so much fun with the alphabet that we continue our intriguing and laughter filled conversation with Frederick Buechner's *Wishful Thinking: A Seeker's ABC's*. Join us on Tuesdays in Friendship Lounge from 10-11am. Contact Rev. Julie for more information.

Lenten Series...

During Lent we continue our Bible studies, sermons, and experiential offerings on expressions of God's character as known through Jesus. For April we will focus on, God is: Compassion, King, and Life. Come and engage with us for some or all of these discussions, as well as considering how we live these characteristics out in our lives. At the end of April we will return to our discussion on Paul's letter to the Romans. We meet in Friendship Lounge from 9:30 to 11:00am.

If you have any questions or thoughts about Bible studies and book groups, please contact Rev. Julie Sheridan-Smith at 414-588-8693 or juliesmith@NSCChurchWI.org.

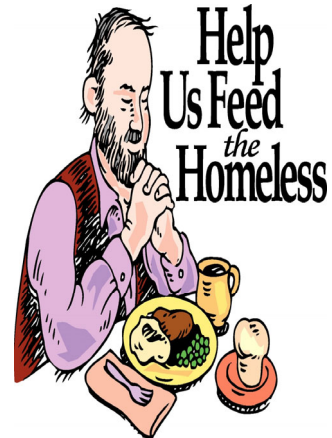

FELLOWSHIP AND OUTREACH OPPORTUNITIES

Repairers of the Breach Lunch Making - April 7

Come to Friendship Lounge between 9 and 10am. Make peanut butter sandwiches, or prep bags of carrots, pretzels, and cookies, or stuff lunch bags with water bottles and apples in order to provide 75 bag lunches for Repairers of the Breach daytime homeless shelter. Children and adults of all ages work together. Wondering about other ways to help? Contact Mary Kramer or Jane Ford to donate supplies (bread, peanut butter, jelly, waters, desserts, carrots) or to drive the lunches to the Repairers sight on Monday morning.

Janer1975@gmail.com or mewkramer@sbcglobal.net.

Thank you!

Knitters and prayers unite! Thank you to those who have knitted and dropped off prayer shawls. We are also glad to have some new people knitting and praying! Our prayer shawl ministry is a loving “hug” from God and we are grateful for this touch from the church that is shared with members and friends. Prayer shawl instructions (knit and crochet) are on the bulletin board in the hall. Please feel free to contact Rev. Julie if you would like more information, OR if you know of someone who would appreciate receiving one.

HOLY WEEK SERVICES

Join us, **Palm Sunday**, while we celebrate Jesus' triumphal entry into Jerusalem. The 10am service, on **April 14**, will include our Chancel Choir, Children's Choir and handbells as we rejoice in the promise of Jesus' coming into our lives (see the note on **page 12** regarding the Eggstravaganza Event that will follow our 10am service!).

Our **remembrance of the Lord's Supper** on **Maundy Thursday** will follow the pattern we have enjoyed the last few years, as we gather around the table and share in worship, fellowship and food beginning at 6pm. Gathering in worship, sharing in a light meal, and breaking bread with one another, we will be reminded of what it was like for those who ate with Jesus on that very night he was betrayed.

On **Good Friday** we will begin worship at **2pm**, as we have for many years, to reflect upon the crucifixion. The service will end with the tolling of the bell at 3pm.

We will celebrate the **joy and wonder of the resurrection**, **Easter morning**, with two services (one at 9am and the other at 11am). Both services will be identical, including the choir, brass, and an atmosphere of joy and celebration in the face of the Risen Lord.

NSCC ENDOWMENT TRUST

Many decades ago NSCC created an Endowment Trust for the purpose of meeting long-term “extraordinary” needs of the church. Initial funding came from budget surpluses. Today, most gifts arise from memorial donations and member stock gifts both of which can be directed to the Meetinghouse Fund and/or the Mission Fund within the Trust. However, the “extraordinary” restriction still in place tends to create ambiguity and limit use of the funds.

This prompted the Church Council to call for some changes: **HOW CAN WE USE THESE FUNDS FOR THE LORD’S WORK, AND PRESERVE OUR LONG-TERM FOCUS BY NOT RELYING ON THE FUNDS TO BALANCE OUR OPERATING BUDGET?** Given these two criteria, an administrative concern, and an opportunity to pay tribute to our former Senior Minister, the Church Council will be proposing changes to NSCC’s endowment at the April 28 congregational meeting. Following is a discussion of those changes:

DISTRIBUTIONS

Instead of distributions being predicated on “extraordinary circumstances,” inflation-adjusted earnings (1% per quarter rather than 1.5%) from the Meetinghouse Fund will transfer to the Capital Reserve Fund. Likewise, earnings (the same 1% per quarter) from the Missions Fund will transfer to a new Missions Reserve Fund. As in the past, Capital Reserve Fund distributions will be determined by the Trustees for long-term improvements, replacements, and major repairs. Distributions from the Missions Reserve Fund will be determined by the Benevolence Board for special projects and contributions to mission-oriented ministries of the church. Neither of the Reserve Funds will be used to underwrite the operational expenses of the church, and any distribution request exceeding the current value of its associated Reserve Fund will require approval by the congregation.

DISSOLUTION OF THE TRUST

The administration of the Endowment Trust is very cumbersome. The paperwork involved with registering the individual trustees with our investment management company, given the annual turnover of Fund Stewards, was problematic. Eliminating the trust, and streamlining the distribution process will result in tremendous simplification and efficiencies. All funds will continue to be an asset of NSCC.

NAME CHANGE

The Reverend Karl D. Schimpf Memorial and Special Gifts Fund. This is an opportunity to pay tribute to a Senior Minister who served our congregation for more than 3 decades.

(cont. on p. 9)

Endowment Trust Cont...

The Church Council believes that the above changes will highlight this important asset of the Church and encourage members and friends to make lasting gifts while providing greater opportunities to do the Lord's work.

The Purpose and Policies of the proposed Fund, along with appropriate changes to the Church's Constitution and By-Laws, will be emailed to all church members on April 1, and printed copies will be available in the church office beginning Sunday, March 31.

Key dates:

- ❖ April 7, a Q&A session following the 10:00 AM service
- ❖ April 28, congregational meeting to approve changes following the 10:00 AM service

A **Congregational Meeting** has been scheduled for immediately following the 10am worship service on **Sunday, April 28**. The purpose of this meeting will be to review the preliminary slate of nominees for our church leadership for the coming program year, as well as to discuss and approve trust and bylaw changes related to a proposed transition of the NSCC Endowment Trust into a newly formed and named Memorial and Special Gifts Fund. For more information on the Endowment Trust proposal, please see the description on the previous page.

FELLOWSHIP

The hunt will be open to all who would like to participate: kids of our church, their friends, and any of our area neighbors who wish to stop by. (Kids be sure to bring a basket or a bag in which to collect your eggs!) For questions, or to volunteer, please contact Sharon Hall at disneyfamily01@gmail.com.

Our goal is to provide meaningful service options for all to grow as you journey with Christ. While there may be more broad discussions on worship as we

move forward with the “75 and Beyond” groups, the current focus of the Deacons will be the 8:00 AM worship in the Chapel. If you have any particular comments or questions on this topic, please feel free to contact any Deacon for more information.
